

November 9, 2020

Welcome to the latest edition of the AW3D newsletter.

AW3D team will be virtually participating in the upcoming conference-[Autodesk University 2020](#).

This month has all the details on our activities during the event: **a free online class, live Q&A session, webinar and expo**. Please be sure to check out the information here and our posts on our official page in social media.

Also, don't miss out our special limited-time offer, "[AW3D off-site survey package](#)"

Many customers, especially those who work in the market of construction, civil engineering and electric transmission requested us already! The offer ends on Nov/30, so please take advantage for this opportunity!

Thanks for reading.

AW3D 3D Building on AW3D Ortho Image

Location: Minato City, Tokyo
Rendered w/ Autodesk InfraWorks

AW3D Team are proud to sponsor and participate in AU 2020!

Due to the current international travel restrictions, it's virtually impossible for us to meet you in person. We are, however, happy to let you know that AW3D sales team will be a part of Autodesk University (AU), which is one of the largest digital design & engineering community events in the world, and expecting to have a chance to engage you through it.

AW3D sales team will be a silver sponsor of this on-line event - please come and visit our virtual booth to have a chat with sales representatives.

Autodesk University 2020

Time: Nov/17 (Tue) - Nov/20 (Fri)

Location: virtual (worldwide)

Registration Fee: free (registration is required)

AW3D Team will give an AU 2020 class & a class live Q&A

Sami Harada and Mariko Morioka, from RESTEC AW3D team, will present an on-line class - CES468698 - title: ***"Bring Geospatial Data into Your Workspace: An Alternative Way for AutoCAD LT"***

In this AU 2020 class, we will demonstrate how to consume various GIS data from best-in-class Autodesk design software, namely InfraWorks, Civil 3D, and AutoCAD/LT.

Class Q&A, where you can directly talk to us, is scheduled on:

Nov/21(SAT) 4:30am (JST)/Nov/20 (FRI) 11:30 am (PST)

It would be great if you can find something new from this class to leverage the true value of AW3D dataset.

Please find more info. about AU 2020 event, class & registration here:

<https://www.autodesk.com/autodesk-university/>

Announcement of our Special Webinar Session

We will host a brand-new webinar session to share the latest updates of AW3D products/services with you during AU 2020.

There will be 3 identical sessions, but each time slot is optimized for 3 different geo-locations (time zones) and register from here:

Theme: AW3D geodata for your AEC* projects

*AEC:Architecture, Engineering and Construction

Dates&Times

11/18 (Wed) 8:00 am JST / Nov/17(Tue) 3:00 pm PST / Session for AMER
