

December 19<sup>th</sup>, 2024

Welcome to the latest edition of the AW3D newsletter.

### **Celebrating 10 Years of Innovation**

As we close out 2024, we want to express our heartfelt gratitude for your continued support. This year marked a significant milestone- our 10<sup>th</sup> anniversary- and we are honored to have shared it with you, our valued customers and partners. Your trust, collaboration, and encouragement have been essential to our success over the past decade.

### **10-Year Anniversary Exchange Meeting at X-NIHONBASHI, Tokyo**

In October 2024, we celebrated a milestone- our 10<sup>th</sup>-anniversary exchange meeting at X-NIHONBASHI, a hub of space business innovation. The event provided a unique opportunity to deepen connections with our customers, explore new possibilities, and strengthen partnerships.

We were honored to welcome over 100 attendees from academia, local government, and industry, making it a truly collaborative gathering.

**Key topics discussed included:**

- ✓ Enhancing flood simulations with high-precision topographical data
- ✓ Expanding the scope of radio wave simulations using 3D data
- ✓ Leveraging AW3D ortho imagery for fixed asset management
- ✓ Updating urban planning master plans with AW3D ortho imagery

Several distinguished professionals shared valuable insights, fostering discussions on future applications and innovations. Participant feedback was overwhelmingly positive, underscoring the event's success.

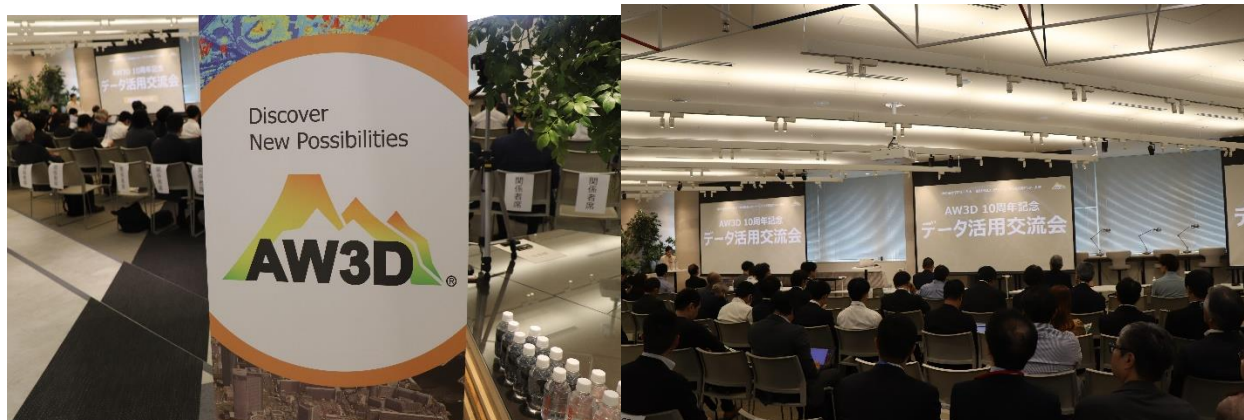

The discussions included advancements in 3D visualization techniques using cutting-edge satellite resources, as well as the research and development of next-generation technologies. Participants also gained valuable insights into efforts focused on the development of future-generation satellite sensors and their potential for expanding business opportunities.

As we look to the future, we are excited to continue collaborating with our partners and explore new challenges and opportunities.

For more information about the event or specific inquiries, please feel free to contact our team.
